Marvin and Sheila Horowitz HIP Adult Program
2020– 2021 Registration Form

Welcome to the 6th year of the Adult HIP program! - "Bringing Jewish Education to Life"

Based on last year's success using Zoom, the classes will be virtual and as inter-active and thought provoking as ever. The topics are all brand new and will cover areas usually not discussed, such as: Aliens, Nazi Hollywood, Love Jewish Style, Prophecies, Israel's future and a host of others!

As always, we will focus on "Bringing Jewish Education to Life." How do we make it exciting and how do we use what we learn in our secular and spiritual lives? Every class will add a new exciting dimension to your life. You are welcome to join the over 100 people who have attended class over the years or return after taking your summer Sabbatical.

As always, knowledge of anything Jewish is not required and all classes are entertaining, interactive, provocative and thought provoking. All first time and returning students are welcome!

Every week will add a new exciting dimension to your life.

Please be aware that the 2020-2021 class schedule will begin virtually, so space will be limited. Please send in your registration forms as soon as possible so you don't miss out.
