Marvin and Sheila Horowitz HIP Adult Program 2019– 2020 Registration Form

Welcome to the 5th year of the Adult HIP program! - “Bringing Jewish Education to Life”

This year we will learn how ancient, medieval and modern Jewish traditions, thoughts, myths and texts can be used every day in secular life. If you are working, retired, raising a family, going on vacation, buying a car or house, getting married or getting a divorce, using your smart phone (or land line), investing or simply reading a book.

Every week will add a new exciting dimension to your life.

As always, knowledge of Hebrew is not required and no matter what level of Jewish education and participation you have it will be an eye opening experience. All classes will be interactive and certainly will provoke lots of conversation.
