TEMPLE TORAT EMET'S JEWISH SUMMER EXPERIENCE SCHOLARSHIPS

Temple Torat Emet offers partial scholarships for overnight Jewish summer camp experiences. While the Temple and its Arms (Sisterhood and Men's Club) have different amounts to offer, we have centralized the application process. Since the number of applicants varies from year to year, the amount of the individual stipend awarded depends on the number of children eligible for each stipend. It is our goal to make stipends available to all eligible applicants.

The Temple funds and those of the Sisterhood are dedicated for use at Camp Ramah. The funds from the Men's Club may be awarded to other Jewish camps and experiences as well. Each stipend is awarded by the groups individually according to their guidelines.

Guidelines:

- Applications are open to children whose parents are dues paying members in good standing of Temple Torat Emet.
- For Sisterhood and Men's Club scholarships, the parent must also be a member of that Arm of the Temple for more than 1 year.
- It must be an overnight camp. (Day camps/programs do not qualify)
- Requests must be made by the parent(s) and submitted to the Temple Administrator by December 31.
- The child who is attending the camp/program should write a short letter as to why he/she would like to attend the summer camp/program and include it with the application.
- A post summer follow-up presentation may be held upon returning home in order for the child to participate in a group discussion or create a presentation on how their camp experience has affected their behavior or outlook.

Please note:

- The Men's Club funds these stipends from their dues.
- Sisterhood funds these stipends from congregant participation in the Simcha-Gram greetings project.
- All funds will be distributed directly to the individual camps
