

I am overflowing with “Kvell” that Temple Torat Emet’s exclusive Adult HIP program will begin its 7th year on August 26, 2021.

Based on last year success using Zoom the classes will continue to be virtual and as inter-active and thought provoking as ever. With well over 100 students participating in our classes through the years, we welcome you to join this list. The topics are all brand new and will cover areas usually not discussed.

As always, we will focus on “Bringing Jewish Education to Life.” How do we make it exciting and how do we use what we learn in our secular and spiritual lives? Every class will add a new exciting dimension to your life. You are welcome to join the over 100 people who have attended class over the years or return after taking your summer Sabbatical.

Knowledge of anything Jewish is not required and all classes are entertaining, interactive, provocative and thought provoking. All first time and returning students are welcome!

Please see the attached calendar for all the dates! NOTE – new day will be on Thursday evenings and time will be from 7-8:00pm.

We are grateful to the TTE’s board for their continued support of your Jewish Education pursuits since this program started.

The registration fee remains unchanged at \$47.00 per session. **Deadline for enrollment is August 1, 2021.**

New series begins soon, so there is little time to sign up! Please contact Orly Jacobs, Education Director at relschooldir@templetoratemet.org , or the synagogue office. for more information and for registration forms.
